

Road Openings On National Roads – MRL Notice 18/01/2021

For all Road Opening Applications on National Roads for underground telecoms works by Telecommunications Operators on [TII National Road Network](#) the application should be made on MRL, but made to Transport Infrastructure Ireland.

All other road opening applications on National Roads (Water, Gas, Electricity etc) should be made to the relevant County/City Roads Authority, on MRL.

Where required, a separate legal agreement(s) should also to be entered into between TII and the applicant , prior to the commencement of works. This applies to;

- works within MMarC or PPP sections of the network
- works over or under a motorway, no matter what classification of road they are on
- works affecting a TII structure on the national road network

Applicant should contact TII using the email address: thirdpartyworks@tii.ie

For PPP and MMarC sections of the network:

PPP Operators- If the planned works are within a section of road operated by PPP, separate agreement(s) are required with the PPP Operator(s) prior to commencement of works.

[National Roads PPP Network](#)

MMARC Contractors: If the Road is operated or managed by a MMARC contractor, separate agreement(s) are required with the MMARC contractor in advance of works.

[MMARC Network](#)

The licence holder must provide the necessary roadspace booking documentation to the PPP Operator /MMARC Contractor prior to commencement of works.

The MMarC Areas are classed in the mapping as either "Normal" or "Tasked".

For Normal, the above applies.

For Tasked,TII only carry out certain specific maintenance tasks there. The MMarC Contractor does not need to be contacted in advance of works in Tasked Areas.
