

Road Openings on National Roads – MRL Notice 20/01/2023

For all Road Opening Applications on National Roads for **underground telecoms** works by Telecommunications Operators on the [TII National Road Network](#) the application shall be made to **Transport Infrastructure Ireland**, on MRL.

All other road opening applications on National Roads (Water, Gas, Electricity etc) shall be made to the relevant County/City Roads Authority, on MRL.

Where required, a separate legal agreement(s) shall also be entered into between TII and the applicant, prior to the commencement of works. This applies to;

- works within Motorway Maintenance and Renewals Contract (MMaRC) sections of the network
- works over or under a motorway, no matter what classification of road they are on
- works affecting a TII structure on the national road network

Applicants shall contact TII using the email address: thirdpartyworks@tii.ie in relation to any such proposed works.

MMaRC Contractors:

The MMaRC Areas (see [mapping](#)) are classed as either "Normal" or "Tasked".

For **Normal**, separate agreement(s) are required with the MMaRC contractor in advance of any works.

For **Tasked**, the MMaRC Contractor shall be contacted in advance of any proposed works to ensure there are no works programme clashes.

PPP Operator:

PPP Operators– If the planned works are within a section of road operated by a PPP Operator (see [mapping](#)), separate agreement(s) are required with the PPP Operator(s) prior to commencement of works.

Tunnel Operator

If the planned works are within a section of road operated by a Tunnel Operator (Dublin Tunnel or Jack Lynch Tunnel, Cork), separate agreement(s) are required with the Tunnel Operator(s) prior to commencement of works.

Roadspace Booking Documentation

The licence holder shall provide the necessary **roadspace booking documentation** to the MMaRC Contractor/PPP Operator/Tunnel Operator, as appropriate, prior to commencement of works.
